April 2019 Measles Outbreak

On 04/22/19 at 1646 hours, the California Department of Public Health (CDPH) and California Emergency Medical Services Authority (EMSA) activated the Medical and Health Coordination Center (MHCC) at Level 3 (low) in response to the April 2019 Measles Outbreak.

As of 04/29/19 at 1558 hours:

- 38 confirmed measles cases, including 28 outbreak-associated cases, have been reported.
- 30 quarantined at UCLA until 04/30/19, or earlier if proof of immunity is produced.
- 500 quarantined at Cal State LA until 05/02/19, or earlier if proof of immunity is produced.
- Counties with reported Measles cases include: Sacramento, Los Angeles, Placer, San Francisco, San Mateo, Santa Clara, Santa Cruz, Butte, Calaveras, Shasta, and Tehama.
- MHCC received 14 sit reps from different counties – no resource requests at this time.
- MHCC next sit report will be this Friday, 05/03/19 by 1700 hours.
- MHCC will be conducting coordination conference calls related to this outbreak.

Activations

- Los Angeles County Public Health Department Operations Center (DOC) is under virtual activation.
- CDPH MHCC is activated Monday through Friday, 0800 to 1700 hours.
- Alameda County Public Health DOC is partially activated to manage coordination and communication.

Deployments

- 1 Cal OES Agency Representative is deployed to CDPH MHCC

Cal OES INLAND REGION

- Nothing significant to report.

Cal OES COASTAL REGION

- Nothing significant to report.

Cal OES SOUTHERN REGION

- Nothing significant to report.

- None reported.

Service Interruptions:

- None reported.

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Isolated afternoon showers or thunderstorms possible over the mountains through Tuesday.
- Tuesday will be the coolest day of the week as temperatures will gradually rise throughout the week.
- Wednesday, a strong cold front will drop morning lows below freezing resulting in a Freeze Warning for Eastern Sierra Counties.

SOUTHERN CALIFORNIA

- A low pressure will bring rain showers and isolated thunderstorms to southern CA through Tuesday morning.
- A gradual warming trend through Friday with temperatures near seasonal normal.

Active Weather Warnings, Watches and Advisories by County:

- <http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

WEATHER KEY POINTS

04/29/19 - 05/05/19

Monday-Tuesday

- A weak storm system moving through the region through Tuesday will bring an increased chance of showers to the state.
 - In general, only isolated showers and light rainfall are expected.
 - Brief moderate to heavy rainfall is possible with thunderstorms in Southern Region on Monday.
 - This storm will also be accompanied by breezy to windy conditions, especially in Southern Region.
 - Gusty winds and blowing dust could impact travel, especially for high profile vehicles.

Wednesday-Friday

- Drier and somewhat warmer weather is set to return for the latter half of the week.

Saturday-Sunday

- The next storm system is expected to move across the state next weekend, bringing a renewed threat of showers and thunderstorms.
 - Details on the exact location and timing of this storm are currently low confidence.

CALIFORNIA WEATHER IMPACTS

04/29/19 - 05/05/19
